

**MikroTik R11e-2HnD | Karta miniPCI-e | 2,4GHz, 2x u.FI****147,98 PLN brutto**  
**120,31 PLN netto**

Producent: MIKROTIK

R11e-2HnD is a Low-profile Lower power version of our 2.4Ghz miniPCIe card - it has a small heat-sink, u.FI connector and less output power (800mW). Low profile is useful if you need to install the card in device like a laptop.

**Specifications:**
